

Meopham Walk

4.7 miles (7.5km) allow 2.5 hours

This walk from the Camer Park, a 45 acre site of Outstanding Natural Beauty. Enjoy spectacular views across rolling landscapes and visit Meopham, the longest village in Kent. You can also visit the beautifully restored Meopham Windmill.

Two walkers admire Meopham Windmill, built circa 1820 and managed by the Meopham Windmill Trust.

Co-financed by the
European Union and
the European Regional
Development Fund

	Gates	15
	Stiles	1
	Steps	1
	Terrain	Field Paths and country lanes
	Views	Some excellent views
	Refreshments	Kiosk at park, shops and pub in Meopham

Step-by-step Guide

1. Exit the car park and turn left to follow the road. Beware of traffic.
2. At junction with footpath turn left to go through kissing gate and continue along field boundary to the right.
3. Just after turning a bend in the corner of the field, bear right to head through a short wooded section leading to another field. Follow path across field towards trees.
4. After crossing field go through gap to enter into another field. Do not follow path straight on but turn right and follow boundary on the right.
5. Go through gap in the corner of the field and enter a short wooded section. Follow across track into another field. Follow the track, bearing right.
6. Follow track into another field and turn right, keeping to boundary as you continue on. Follow path to corner of field and continue into a wooded section. Bear right at a clearing in the woods to take the well worn path (fairly narrow and winding) to gate.
7. Pass through gate and follow path along top edge of field and down to kissing gate in right corner. Admire some good views on the left before passing through gate as the path heads to the road.
8. Pass through gate, cross road and go through kissing gate into a field. Follow path ahead, which bears left to corner of field.
9. Pass through gate and follow narrow path through a short wooded section and up a short flight of steps to enter into a field. Follow path straight on uphill. There are some good views at the top of this path.

10. Go over a stile, turn right and follow byway.
11. After approximately 200 metres bear right, off the track through gate (follow the footpath arrow markers). Follow path through woodland. Once out of wooded section, cross garden and continue down driveway to road (The footpath runs across private property so please keep to the path).
12. Cross road and through gate into a field. Follow path straight ahead across field to gate.
13. Pass through gate to leave field and continue ahead. Follow path through 2 more gates and climb a short slope to the road.
14. Cross over road and follow path opposite, up a short flight of steps. At the top, pass through gate into field and continue to follow the path uphill. This section is fairly steep.
15. Go through gate and turn right to follow the boundary on the right, heading towards a gate. Go through 2 kissing gates to continue on path to the road.
16. Emerge from the path at Meopham Green, near the War Memorial. Turn right and head towards main road. Cross over onto pavement and turn right to head to Meopham. Cross over at the traffic lights just after the school and turn left to continue past bus stop.

17. On reaching Meadfield Rd turn right and right again into Cheyne Walk. Follow path and turn left into Warwick Gardens. Turn left again as you meet up with Cheyne Walk once more.
18. At junction of Cheyne Walk, turn left along Whitehill Road and follow to junction with The Street.
19. Cross over road to follow footpath into field. Bear right after the end of the short line of trees on the right - do not follow path straight ahead.
20. Follow path into short wooded section and into another field. Follow along boundary for 30 metres before turning left through a gap in the trees into another field. Follow path across field to the road.
21. On reaching the road, turn left to make your way back to the car park where you started.
