DISCOVER TUNBRIDGE WELLS

Royal Tunbridge Wells is a historic spa town in the heart of the High Weald Natural Landscape, surrounded by rolling hills, ancient woodland and open heaths. The town itself blends Georgian and Victorian architecture with leafy parks.

At its heart sits The Pantiles, a Georgian colonnaded walkway, and the Chalybeate Spring, a natural spring and the source of Tunbridge Wells' origin as a fashionable spa resort. Nearby, visitors can discover a mix of historic architecture, independent shops, cafes and cultural attractions, while green spaces such as Dunorlan Park offer peaceful surroundings within walking distance of the town centre.

Beyond the town, a network of quiet lanes, bridleways and walking trails wind through hop gardens, orchards and vineyards. Historic houses, castles and gardens are scattered around, providing opportunities to combine active travel with visits to some of Kent's beautiful heritage attractions.

Tunbridge Wells is a popular destination for cycling; the Wealden Cycle Trail links Tunbridge Wells to Ashford while the Avenue Verte route between London and the coast passes through the surrounding villages. For a different way to explore the area, the Spa Valley Railway operates heritage steam and diesel trains to Groombridge and Eridge, linking a number of walking and cycling routes along the way.
